Pg#1: After Home Invasion 2 the player is being chased into a corn field. To defeat The Hybrid you must use the DO NO ENTER sign and smack it at The Hybrid. You may then jump over the fence to the next screen.

Pg#2: 3 more Hybrids are chasing you to the edge of a cliff. The player must not jump on the boat and instead jump into the water where they can then safely get into the boat. The Hybrids will not go in water. There is a island nearby that has a two headed Hybrid you must defeat. After that is done go to pg#3.

Pg#3: On this page you see a massive spider Hybrid who will attack you. To defeat this guy the player must pick up the book and read how to stop time. Once they have read it they will be able to stop time and safely board The Mothership.
