**2022 Paper Computer Game**

**By: Blaze PCGs**

**Intro: You play as John, and you are just wandering around the land in search of mercado coins when all of a sudden you hear a deep chuckle, and you turn up to see The Arcmage!! The only thing strange about him is that he appears to be a ghost. You remember killing The Arcmage 5 years (Search for the Dagger), and he has somehow returned.**

**A: You John (You have a bow and \*1 arrow)**

**B: Unlocked chest with a sword in it**

**C: A magical pit of lava that if you jump into you will also turn into a ghost, and be able to kill the arcmage with your bow and arrow, or dagger.**

**D: The Arcmage who is now a ghost, and will cast a kill spell at you if you don't jump into the pit in time. You can deflect one of his spells with the dagger, but it wont do any damage to him.**
