|

Script is down here....

A. Your inventory, you have a shield, stick, torch, and slime ball. You also have 7 extra inventory spaces for other items you get

- B.** A skeleton who will kill you unless you kill it first (He drops a almost broken bow and one arrow)
- C.** The player (Steve)
- D.** The bed that you must sleep in (If you try to go to bed right away it will wake you up saying monsters nearby, or something scary is giving you nightmares)
- E.** A furnace with 2 pieces of coal in it
- F.** A chest with 10 blocks of wood, and a pumpkin head in it
- G.** A scary painting that you must burn in the furnace so you don't get nightmares
- H.** A creeper that will explode if you go too close
- I.** A zombie who will try to kill you
- J.** A door to your house, the zombie could break it down
