EPIC WORLDS PCG

SCRIPT

2022 PCG by: Epic Worlds PCG

- A) You play as Average Joe, who is just a regular human. Your goal is to get to the top of the pyramid and steal the crystal to sell for lots of money and then you can become famous.
- B) A friendly little spider named Coy. You can talk to him, and he will just basically say that he was just taking an evening walk when he saw this strange glow in the distance, and he walked towards it and saw this pyramid that you also see. He will help you later on to get up to the pyramid. (after you get past the guards then he can jump you and him up straight towards the crystal.
- C) A strange glowing artifact that appears to be summoning these zombie guards (E). To get rid of them simply destroy this artifact using the gun (F).
- D) Just some random cactuses you can use to also fight the two zombie dudes.
- E) You see two Mummy/Zombie dudes, and they are guarding the entrance to the pyramid. All you have to do is shoot the crystal with the gun (F), and then these guys will disappear. (they don't talk). Once you get past them you can go into the entrance of the pyramid where you will meet a huge living skull who says "there is no way to get past me, so you must find another way!" If you try to get past him he will shoot a beam of fire or acid out of his mouth and you will die.
- F) A gun
- G) After using the spider to jump up to the crystal (because the pyramid is too steep), you can then steal the crystal and complete the game!
