(old man voice) welcome to adventure isles!!! This world is a dystopian one. Creatures have evolved due to millions of nuclear explosions all around the world. Humans have evolved to be able to survive in the immense amounts of radioactive particles in the air. Now GO!!! Explore The World Of Adventure Isles!!!

Wow!!! you got me off of the PCg Shop. That's incredible, you are amazing.

Thank you for supporting me + my amazing games. Also you can play this with 2 people like a pcg or play it by yourself like a paper game.
