## SCR.P4

### Gnome The Voice

pg #1: You teleported 5,000 years back when Gnomes ruled the world of Gondo?

pg #2: You meet 3 Gnome Soldiers who all are very hostile, and you learn they are in the Gnome Army.

pg #3: You see the Gnomes attacking a troll, who are almost extinct, and they are killing them, because The Voice in their heads says that in the future Trolls will kill Gnomes.

pg #4: You meet Zoozac but he is a human, and he informs everyone that he is disbanding the Gnome army, because he feels a connection with the trolls.

pg #5: You see Z.B.H.J.A.H burning all the Gnomes weapons and draining their memories with a secret button, everyone is effected but you.
