User's
Manual:
Call of Duty
Modern Warfare

Hey, I'm tutorial bot. I'll help you play or you can have another player to play with. First of all, open the main menu. Select campaign. If you're making your friend play, flip the frame and tell him to wait for the game to load. Now put in the 'mission 1' frame.

Mission one:

You are in a jungle. You have to stop the 2 bandits. select your position. After selecting your position, flip the frame. Now use your Float Pad to aim, and R to shoot.

Mission 2:

The guard is shooting you. He is throwing a grenade. What do you do.  to run, or (B) to hide behind the car.

* If you run, you are dead. Now after killing the guard, go inside the tower.

There is one guy hiding and the other is shooting at you. (R) to shoot, (B) to hide,  to move.

* If you move or shoot, you are dead.

then throw a grenade by (X) and (Y) to take the intel file.

Mission 3:

The  green boxes contain the indicate item.  to pick them

2 guys are hiding.

1.  to throw ~~grenade~~ grenade

2.  to move

3.  to shoot

* Throw a grenade.

then go up. theres a door. what do you do?

Then theres a mine up there.

Flip the frame and reach the helicopter.

Mission 4:

Kill the soldiers

Flip the frame

Now there are 3 soldiers.

There's a  box.

Save Cap. price.

Mission 5

Kill all soldiers.

Destroy Makarovs Truck

Float®
